

Uniform Crash Replacement Policy

Last updated: 1/26/2005

The goals of the uniform crash replacement policy are to:

- a) Support riders that endured hardship with a crash.
- b) Have Peninsula Velo members ride in good looking uniforms.

The details of the policy are:

- a) Member must be in good standing with PV.
- b) The replacement uniform can be purchased at half price.
- c) The uniform damage must have occurred due to a crash.
- d) The uniform pieces covered are the jersey, shorts or bib shorts.
- e) The damaged uniform has to be returned to the uniform director.
- f) To limit the financial impact, the number of uniforms is limited to 10 pieces per year.
That is, 10 uniform pieces for the whole club.
- g) The PV Board may cancel or alter the policy at any time.
- h) Contact the Uniform Czar (see <http://www.peninsulavelo.org/secondary/clubinfo.html>) for replacements.
